

CHWA 2020 Delegate Information Pack

A Culture of Care, the Culture, Health & Wellbeing Alliance's national conference for 2020 will be held on Thursday 19 and Friday 20 March at Derby Museum and Art Gallery.

Our theme is **Care**: care for one another (participants, practitioners, commissioners); care for the environment; and caring economies.

Venue

The base for #CHWA 2020 is [The Wardwick, Derby Museums](#); formerly the old central library building in Derby.

The central space is light, comfortable yet full of historical character and charm. With panoramas of the bustling streets of Derby and connection to the galleries and museums on site, this venue sets a perfect backdrop for a couple days of being curious about culture and care.

Breakout sessions and workshops are being planned for venues across the city, including QUAD and Air Arts at the Royal Derby Hospital. For venues beyond a short walking distance, transport and guides will be provided.

If you have any access requirements or concerns, please do get in touch so we can enable your full participation in the conference.
